THINGS TO DO BEFORE SCHOOL STARTS

Turn in Your Registration Paperwork Please turn in your registration paperwork, a form completed by your child's doctor and an immunization record (the doctor appointment must be within the past 12 months). Doctor forms can be downloaded from the school website under the Parent Information link. You will not receive communication about your paperwork unless there is a problem. In other words, no news is good news.

Learn how to use FastDirect FastDirect is MQP's web-based school information system. Use it to communicate with teachers, school staff and parents, view your child's grades, check weekly assignments and learn about upcoming school and

parish events. Many organizations within the school community use this system as their primary method of communication. You may choose to have FastDirect notifications emailed or sent via text message to you. To select these options, login to FastDirect, click the Display Parent Data button and make your selections in the FDmail Auto Notification section. You will need to log into FastDirect to actually read the communication. Click the link to FastDirect on the school's website or go to www.fastdir.com/mqp. Access codes are given to new families before the school year starts. Please sign up as soon as you receive your access code.

Order Uniforms In the spring, you can buy used uniforms at a fraction of new cost at the uniform resale. Look for communication on FastDirect regarding the resale. Just Me Apparel ([636-391-9551](tel:636-391-9551); www.justmeapparel.com) sells MQP girls' jumpers and skirts as well as all other uniform apparel. Just Me Apparel has a tax free sale at MQP in the spring. Items ordered at this sale will be available for pick-up at the Ice Cream Social in August or at the school office after the Ice Cream Social. Skirts and jumpers MUST be purchased from Just Me Apparel or the MQP uniform resale due to their unique plaid. You may purchase many other uniform items from other vendors (Target, Lands' End, etc.) as long as they meet MQP's uniform code found on the school website under the Parent Information link.

Sign Up for T-Ball, Baseball or Softball In April, you can sign up for t-ball, baseball or softball. Pre-K teams are available. For more information, go to www.mqpsports.org.

Pay Tuition You can set up an account with SMART TUITION (www.smarttuition.com) to pay tuition monthly. Please set up your account in May or June. You may also pay your tuition in full before school starts.

Buy School Supplies You can order supplies through a service provided by MQP's Home & School Association. An order form is provided to new families during the summer or through communication on FastDirect for existing families. Packaged supplies can be picked up at the Ice Cream Social in August. Alternatively, you can purchase supplies on your own. A list of supplies needed by grade can be found on the school website under the Parent Information link. Your child will also need to bring a full size backpack each day.

Attend the New Families Pizza Party This party is for new families and is held the Friday prior to the start of school on the MQP parking lot.

Meet Your Buddy Family Each new family is assigned a buddy family that was new last year. You should be contacted by your buddy family a week or two before school starts. This family will help answer questions about school routines, upcoming events, etc. Feel free to contact your buddy family if you have questions throughout the year.

Sign-Up for Volunteer Activities Because MQP is a stewardship parish, all school families are required to share their time and talent by signing up for a certain

number of activities that occur throughout the year. These activities include planning holiday parties for your child's classroom, volunteering as field trip chaperons, helping at school events, etc. Sign-ups are on a first-come, first-served basis. Look for communication on FastDirect for a link to the sign-up on SignUpGenius.

Create a SignUpGenius Account Many volunteer sign-ups are managed through the SignUpGenius website. Create an account on www.signupgenius.com.

Visit your Classroom Kindergarten students and parents are invited to come to the school in small groups for a brief visit in classroom with their teachers. This occurs during the first two days of school when the older grades are back in school, but before the kindergarteners start their school year.

Attend a Protecting God's Children Workshop If you have any contact with children at MQP, through the school or any organization, you must comply with this program. Workshops are held at MQP. Look for communication on FastDirect or visit www.mqpwg.org/christianformation/protectinggodschildren.aspx to find an upcoming workshop at MQP or nearby. To work with our children, you must attend a workshop and submit background check and code of ethics forms to MQP.

WELCOME BACK TO SCHOOL

Attend the Ice Cream Social The Ice Cream Social is MQP's welcome back-to-school day for full-time students and their families to meet their teachers, tour their new classrooms and the rest of the school and drop off school supplies in their classroom. It is held the Sunday prior to the start of school. Many key events occur during the Ice Cream Social: pay class dues, pre-ordered packaged school supply and uniform pick-up, class assignments posted, sign up for cafeteria and traffic duty, sign up for open auction parties, sign up for scouts, etc. Class lists are posted on FastDirect the Sunday morning of the Ice Cream Social and also in the school lobby.

Pay Class Dues Class dues are \$15 per student. The dues help pay for Annual Spring Festival class projects, community service projects and our in-class Stewardship program. Please pay your class dues at the Ice Cream Social.

Look for a Sign in Your Front Yard On the eve of the first day of school, a sign will be placed in your yard welcoming your child to MQP. The signs are generally placed after dark and will remain in your yard for a week before being picked up. Your child might want a picture in front of their sign before school the first day.

Kindergartener's First Day On the first day of kindergarten, you may walk your child to his/her classroom. You may take pictures in the classroom but please say your goodbyes quickly.

Back to School Night Back to School Night is held on two evenings (one for K-4, another for 5-8) at the start of the school year. Parents are welcomed to MQP, the school

year is blessed and parents are provided with an opportunity to briefly meet their child's teacher, see their child's classroom and hear what the school year will entail. **This is a parent's only event.** **TIP!** Many parents leave a note and a piece of candy on their child's desk/cubby to surprise them the next day.

DROP-OFF AND PICK-UP

Drop-Off Do not drop off your child in front of school. Proceed up the driveway between the church and the school. Follow the orange cones to the right and proceed as far ahead as possible before letting your child out of the car. To keep the flow of traffic going, make sure your child is ready to unbuckle and exit the vehicle after you stop. Eighth grade students will be standing alongside the cones to help students out of cars. Please do not allow your child to exit your car before you get to the drop off area. Once the students are clear of traffic, proceed along the cones and out of the parking lot. You will exit along the east side of the rectory. Students may enter the school building 10 minutes before school starts. If your child needs assistance getting a project into school, please park your car in an open space behind the church and walk your child into the school building by proceeding along the fence (not between cars).

Pick-Up Proceed up the school driveway (the entrance closest to Berry Road). Turn right around the gym through the yellow gates and behind the school. Cars park in lines the full length of the parking lot. **Please do not park behind the blue lines indicating the end of each parking line.** The first line of cars starts closest to the school and church. Each new line is closer to the fence. The yellow gates are opened 15 - 20 minutes before school ends and are closed two minutes before students are dismissed. If the gates are open after school has been dismissed, please stop your car and do not drive in the parking lot while the children are exiting the building. Once parked, you may wish to exit your vehicle to meet your child. If you arrive after the gates have been closed for dismissal, you must park on the street or wait behind the gates until the parking lot clears. When the gates are re-opened, you may enter the back lot to pick-up your child. Please check with your child's teacher to find the door he/she will exit. After all students are dismissed, students and parents are in their vehicles and the parking lot is free of children, cars will be allowed to proceed out of the parking lot one row at a time. Please follow the direction of the 8th grade students. You will exit along the east side of the rectory where there will be two traffic duty volunteers to guide cars onto Lockwood Ave. The whole process usually takes less than 10 minutes. **Afternoon parking on Lockwood Court or on Lockwood Avenue is strongly discouraged.** It is dangerous for our students and may be a traffic violation, depending upon where you park. Please use your hazard lights if you park on Lockwood Avenue.

Inclement Weather Schedule Occasionally, school is canceled or will open late due to inclement weather. Our automated phone system alert will call your home and mobile phones by 10:30 p.m. the night before or after 6:00 a.m. the morning of a late start. The message will indicate the start time of school. In addition to the automated phone call,

you may check the school's web site or refer to the Buzz Book for a of radio and TV stations to check for school closing information in the event of inclement weather.

DAILY ACTIVITIES

Wake-Up MQP! Each morning, students watch a student and faculty produced morning show called "Wake-Up MQP!" The show is broadcast to each classroom. Students take turns serving as anchors, leading morning prayers, the Pledge of Allegiance, etc. Community and school items of interest are also featured. Parents are welcome to view the show in the school Boardroom. The show starts at 7:55 a.m. and lasts five to ten minutes.

Lunch There are four 20-minute lunch sessions, each serving two or three grades. Some grades eat lunch before recess while others have recess first and then eat lunch. Students sit with their class. Students may either purchase a lunch or bring a packed lunch. If your child's lunch should be kept cold, please send a cold pack in the lunch box (refrigerators are not available). Lunches, milk, water and other beverages are available for purchase as well as fruit, snacks and desserts. You can send money or purchase a debit card for food purchases. As your kindergartener or first grader gets acclimated to the lunchroom routine, please send money in an envelope marked with what your child would like to purchase or send a note regarding what to buy using your child's debit card. To make it easier for the kindergarteners in the lunchroom, they enter a few minutes before the older grades in their assigned lunch period. During the first couple of weeks of school, there are additional parents on duty to assist the children. The lunch menu is available on the school website (www.mqpwg.org/MQPSchool/Cafeteria.aspx). The link on FastDirect does not work.

School Communication FastDirect is regularly used by parents, teachers and the Principal to communicate important information. Teachers and staff also utilize email and send out a weekly newsletter called "MQP Weekly". All contain important information. Daily homework assignments for grades 1-8 are generally on Fast Direct in class planners/bulletin boards. Your child may have a specific homework folder and a "Friday folder" filled with his/her classwork for the week. Work that needs to be signed by a parent and returned will be marked as such. Friday folders should be returned to school the following school day in your child's backpack. General school and organization information is sent home in the "Wednesday folder". This folder is sent home by your child's homeroom teacher each Wednesday and contains important weekly communications from the school and school organizations. Please go through the folder each Wednesday, as it may contain time sensitive material, and return appropriate forms and the folder with your child on Thursday.

Absences When your child is unavoidably absent, please call the school Absence Hot line ([314-253-4055](tel:314-253-4055)) by 9:00 a.m. to report the absence (or in advance for known

absences). Please keep your child at home if he/she had a fever or vomited within the past 24 hours.

Dress Out Days On a designated Thursday each month, students are allowed to dress out of uniform for a dollar donation. Students bring their dollar to school and give it to their teacher. The money raised is used to buy lunch food for St. Patrick's Center; upper grade students assemble sandwiches and the food is delivered to St. Patrick's Center. The dress code for out of uniform days is found in the uniform code found on the school website under the Parent Information link. In short, attire should meet uniform length and condition requirements.

Attire for Field Trips Unless otherwise specified, all students must dress in school uniform for field trips, even if the field trip occurs on an out of uniform day. Uniforms make it easier for teachers and chaperons to supervise children on the field trip.

Visitors If you enter the school building you must first sign in at the school office, state the nature of the visit and wear a visitor badge. When you leave the building, please sign out in the school office and return your badge.

SACRAMENTS

Weekly Eucharist Students attend an All School Mass once a week at 8:45 a.m. Mass is typically on Wednesdays, but may be celebrated other days depending on the weeks' feast days. Each class takes a turn planning the liturgy. Parents can sit in the back of church or fill in wherever seating is available after the students are seated.

First Reconciliation First Reconciliation is celebrated during first semester of second grade by both full-time and Parish School Religion (PSR) students.

First Communion First Communion is celebrated during the Easter Season by second grade students in both the full-time and PSR programs. We provide a First Communion Preparation prior to First Communion.

Confirmation Confirmation is celebrated for eighth grade students during the first semester on a date selected by the Archbishop. Additional information is provided once the date is determined.

SPECIAL FULL-TIME SCHOOL ACTIVITIES

Eighth Grade Angels Each kindergarten student is assigned an eighth grade student to be his/her "Eighth Grade Angel". These angels welcome kindergarteners to MQP, escort them to All School Masses and communicate with them throughout the year. They also escort them through the Halloween parade and kindergarten graduation. Shortly after school starts, each kindergartener will meet his/her angel.

Halloween Parade Grades K-2 participate in a Halloween parade held either on Halloween day or the school day closest to October 31st in the afternoon. That day, children bring their costumes to school and parade through the MQP parking lot and through the Webster Hills neighborhood for the rest of the student body and any parents/grandparents who wish to attend. Bring your camera!

Camp Lakewood Each fall, we offer an optional outdoor educational opportunity for the sixth grade students. Camp Lakewood provides a four-day, three night program consisting of team building and exploration activities lead by camp counselors with 24-hour parent supervision. Sixth grade parents will receive communication regarding Camp Lakewood, as well as details on the cost to participate, soon after school starts.

Catholic Schools Week This is an annual celebration of Catholic Schools. Each day of the week features a special activity. A family brown bag lunch is planned on one of the days. Parents and siblings are invited to bring lunch to school to enjoy with their children. You may pack a lunch or treat your child to carry-out food that day. On another day, a musical program is presented by the lower grades for the rest of the school. It is open to all parents and siblings.

Mission Carnival Annually, the Student Activities Council sponsors a fun carnival for all students to enjoy. Students attend the carnival, held in the gym, with their class in one-hour shifts. Each class hosts a booth with a different game for the children to play (the booths are run by students). Treats and raffle tickets may be purchased to win small prizes (please send money for both). All proceeds from the Mission Carnival are donated to various charities and missions. Additional details will be provided closer to Carnival time.

Kindergarten Graduation Kindergarteners finish school a few days earlier than the rest of the student body and a special graduation ceremony is held on their last day of school. The graduation consists of a prayer service in the church, followed by a musical performance and a cookie and punch reception in the school gym. Kindergarteners wear their dad's white (heavily starched) shirt backwards over church attire. Other items (hat, tassel, and bow) are provided. Additional details will be provided by your child's teacher in May. Your kindergartener will sit with his/her class and eighth grade angel. Family is welcome to attend. Bring your cameras. **TIP!** It is customary for kindergarteners and eighth grade angels to exchange gifts after the ceremony.

Eighth Grade Graduation Eighth grade students also end school a few days earlier than the rest of the student body. Generally, eighth grade students have a graduation practice after kindergarten graduation and then are dismissed. Special ceremonies and gatherings are held to celebrate the end of the students' time at MQP School.

Parent/Principal Coffees Held a few times a year on mornings and one evening, these meetings provide an informal setting for parents to meet with our school principal to discuss current school issues. They last about an hour and all parents are welcome. The format may vary to include a more formal presentation.

Family Nights Our Parish Council sponsors two school nights a year where no parish activities are scheduled and no homework is assigned, providing families a break from their usual schedules and a chance to reconnect with quality family time.

Birthday Treats Once a month, MQP recognizes student birth and half-birthdays with a free ice-cream treat served to all students at lunch time. This is in lieu of parents bringing individual treats for a child's birthday.

FUND RAISERS AND OTHER ACTIVITIES

A comprehensive list and description of all MQP Parish organizations can be found in the Parish Membership/Directory and Resource Book sent annually to all parishioners. The following list is designed to highlight the activities that involve the school and its families.

Brat-Fest A family "fun-raiser" featuring brats, beverages other traditional German fare. It is held on a Sunday in September or early October in the parking lot. Children's activities are also part of the mix.

Magazine Drive This is MQP's main fund raiser and is conducted during the fall. Families are asked to renew or purchase magazines and to ask family, friends and others for orders. There is a big emphasis on 100% participation for this event. A buy-out plan is available but this is really an easy fund raiser. Customers may order/renew on-line and the prices are just as good, if not better, than normal subscription fees.

Scholastic Book Fair Held in November, the Book Fair is the primary "book raiser" for our library and classroom libraries. There are a wide variety of Scholastic books for all ages available for sale. Profits from the Book Fair go to the school library and books for teachers. The Fair starts after the masses on Sunday and continues during the school week. Parents are invited to attend the Book Fair with their child's class, on Sunday after mass, or they may choose to send money in with guidelines for purchases. Each homeroom teacher fills out a wish list of books they would like to have purchased for their classroom and students/parents may purchase one of those books for their classroom. Siblings are welcome to attend.

Dinner Auction This major fund raising event takes place in the gym and is held every other year. Volunteers and donations are always needed for all aspects of this event.

Progressive Dinner This "fun-raising" event is held on a Saturday evening in January/February prior to Lent. This event alternates years with Trivia Night. It is one of the best ways to meet and get to know other parishioners.

Trivia Night This "fun-raising" event is held in the gym on a Saturday evening in the spring every other year. It alternates years with the Progressive Dinner. All profits go to the Home and School Association.

Spring Festival This parish-wide celebration usually held on the last Friday and Saturday evening of April. Spring Festival kicks-off on Friday night with a "Parent's Night Out" party featuring a Silent Auction made up of class projects and themed party sign-ups. In addition to the Silent Auction, \$100 raffle tickets are sold as part of the Spring Festival (parishioners can purchase tickets jointly with another family) with the winner receives a large cash prize. Saturday's events begin with a mass followed by a special launch event prior to opening carnival rides and games, food and family entertainment. **Kindergarten dads are responsible for clean-up duty after the Carnival closes.** You may purchase tickets or wristbands for rides. Wristbands are a deal if your child likes rides. You may purchase tickets for food and games. Your child will use these tickets quickly. Box dinners (that must be ordered prior to event) are available in addition to pizza, hamburgers and hot dogs. Wristbands and tickets are available at discount prices before the festival. T-shirts are also sold each year with the Spring Festival's theme and design (there is a contest every year for the design). An order form will be sent home from school.

Themed Parties At the Silent Auction on Friday before Spring Festival, you can sign up to attend several themed parties the following school year. These parties are hosted and paid for by MQP parents. Look for an email with an attachment that contains a list of party descriptions and dates so you can decide which ones you want to attend. You pay to attend these parties and your payment is donated to the school. Don't worry if you miss the sign-up. Many of the parties do not have a limit on the number of people that may attend and you can bring a check with you to the party. Look for invites or ask your buddy family about these parties. They are fun and a great way to mingle with other parents and support our school.

Bringin' Home the Bacon This is an on-going fund raiser where you buy certificates for local businesses from MQP and use them to buy your groceries/products instead of your regular form of payment. Certificates can be obtained by completing a form in the Wednesday folder or on the school website under the Parent Information link. MQP earns a percentage of the sales, but costs you nothing. Please consider buying these certificates for stores you frequent. They also make great gifts!

Papa John's Pizza Night Held the first Tuesday of every month, MQP families can order Papa John's pizza and a portion of the sales is paid back to MQP. Make sure you turn in a MQP order slip (distributed in your child's Wednesday folder) to your Papa John's store or delivery person so MQP gets credit.

Box Tops for Education Please cut Campbell product labels and General Mills "Box Tops for Education" coupons and send them to school with your child. MQP earns cash for the labels and coupons. Write your child's first and last name on the back of each box top (periodically, there is a drawing for a prize). Also, parties are earned by classrooms that submit the largest number of labels/coupons.

Room Parents Each homeroom has two or three Room Parents that assist with sign-ups, class activities and service projects. There is a social parent that helps send out reminders for classroom help and a service parent that coordinates the four service

projects scheduled during the school year. For service projects, each grade has a theme and service parents work together to serve the whole grade. You can sign-up to be a Room Parent in your child's classroom at the Ice Cream Social.

Traffic Duty Parent volunteers are needed to patrol three locations in the morning and four locations in the afternoon. It requires a 20 minute commitment once a month either in the morning or afternoon (school-age children can wait for parents in the school lobby) and does not count toward your class volunteer commitment. You can sign up for traffic duty at the Ice Cream Social or contact the school office for more information.

Cafeteria Duty Four parent volunteers are needed to work in the cafeteria each day. It requires about a 90 minute commitment once a month and does not count toward your class volunteer commitment. You can sign up for cafeteria duty at the Ice Cream Social or contact the school office for more information.

Staff Gift Fund A special fund is collected twice a year; Christmas and at the end of the year. Contributions are voluntary but are much appreciated. The fund is dispersed equally to all school faculty and staff members. You can download special note cards to write notes to teachers and staff members from the school website under the Parent Information link. This fund was created to replace the usual Christmas gifts and year-end gifts. You will receive flyers and envelopes you can use make a contribution during the school year or a contribution can be made at any time in the school office where the Staff Gift Fund box is located. Please consider giving generously to the teachers and staff that teach and care for our children!

Breakfast with Santa While not a school event, this Christmas "fun-raiser" is held on the first Sunday in December. It is a morning full of activity with many craft stations and games, a pancake breakfast and a visit with Santa Claus. Pictures are available for purchase.

SCOUTS

Cub Scouts Boys in grades 1-5 may participate in Cub Scouts. Boys are placed in Dens with other boys of similar age and meet one or two times a month. Cub Scouts also have a pack meeting once a month where all the Dens meet together. Parents and boys participate in community service activities, the annual pizza fund raiser (the Scouts sell and deliver the pizzas and the parents come together on a Sunday morning to make the pizzas), family camp outs, the Scout Sunday, Mother-Cub Breakfast and many other fun activities. The Dens are led by parent volunteers (Den Leaders). Den Leaders meet once a month to discuss and organize Pack activities.

Boy Scouts Young men in grades 6-12 may participate in Boy Scouts. Boys are not required to have been involved in Cub Scouts to join Boy Scouts. The Scouts meet twice a month at MQP and participate in community service projects, camping and hiking trips and many other activities to earn badges and advance. In Boy Scouts, the boys take

a more active role in leadership of the troop under the guidance of parent/leader volunteers.

Girl Scouts Girls K–8 may participate in Girl Scouts. Girls are placed in troops with other girls of similar age and meet one or two times a month. The girls may participate in many activities such as community service, Scout Sunday, Father-Daughter Dance, field trips, crafts, games and songs. Once a girl is in 4th grade, camping activities begin with their troop. The girls also participate in the annual Girl Scout Cookie sales. Troops are organized and lead by parent volunteers. Troop leaders meet several times in a neighborhood group made up of troop leaders from several schools.

MQP ATHLETIC ASSOCIATION

The MQP Athletic Association offers many sports opportunities to the parish youth. The athletic program is not school sponsored and is open to all youth of the parish, no matter where they attend school. Visit www.mqpsports.org. To register, look for communication on Fast Direct, MQP Weekly or email.

Basketball A winter sport offered in grades 3-8. Children participate in CYC Leagues. Registration begins in October.

T-Ball/Baseball/Softball A spring/summer sport offered for Pre-K through 8th grades. Pre-K children are in T-ball with the St. Peters Parish located in Kirkwood. Grades K-2 participate in Coach Pitch CYC Leagues. Grades 3-8 participate in CYC Leagues. Registration begins in January.

Soccer A summer/fall sport offered for Pre-K through 8th grades. Registration begins in April.

Golf MQP participates in the CYC Tri-County Golf League. It is an instructional program for boys and girls of all levels of experience in grades 2–8 organized in two leagues. The Training League, for 2nd – 4th graders, is noncompetitive and focuses on instruction, rules and play. The Junior League is for grades 5–8, although more experienced 4th grade golfers may play in this league.

Track A spring sport offered for grades K-8. Registration begins in January.

Girls on the Run / Girls on Track Girls on the Run is a non-profit prevention program encouraging preteen girls (grades 3-5) to develop self-respect and healthy lifestyles through running. Girls on Track follows the same philosophy with the curriculum geared toward grades 6–8.

Uniform and Team Selection Children ages K-4 wear an "all-sports" jersey for all MQP sports teams. Call the sports jersey coordinator (listed in the MQP Buzz Book) to purchase a jersey and reserve a number for your child. Your child will use that number until fourth grade, when sports specific jerseys are issued. Jerseys may be passed from

sibling to sibling in a family if there are no number conflicts on a team. Teams for children in grades Pre-K – 2 are randomly drawn. In grades 3-4, teams are formed with input from the child's previous coaches to ensure that teams are equally balanced in abilities. In grades 5-8, team try-outs are held, if necessary, and "A," "B," and "C" teams are formed. Also, grades 5-8 teams may play in "open" or "closed" leagues. Teams that play in "closed" leagues may not have athletes who play the same sport on another "select" team during the same season on them. Athletes in grades 5-8 are required to have CYC cards to play on a team. You will find information on how to obtain a card at www.cycstl.net or by calling [314-792-7606](tel:314-792-7606). You will need to bring one of the following for verification of birth date: birth certificate, baptismal certificate, current or expired CYC card, passport or valid driver's license. Look for information regarding sign-ups for sports in the church bulletin or Wednesday folders.

Please send a FastDirect message to Nancy Tuffli (parent) if you have suggestions for this document.
