Please note that lunches are scheduled in two locations at staggered times to allow for more relaxed dining, minimized congestion at transitions and clean-up time between lunches. Please arrive and depart on time. Students will meet you in gym or cafeteria.

Due to limited parking, please walk or carpool, if you can. You may park on the back lot, as we will not have outdoor recess during Family Lunch.

If you are not able to have lunch with your child, please make arrangements for your child to eat with a “buddy family” and let the homeroom teacher know of the change.

If you need to eat at a shift other than your assigned time, please make sure your child and the homeroom teacher know ahead of time to avoid confusion.

To avoid waiting to buy lunch, you might consider an eatery outside of the immediate neighborhood or a home-packed picnic-style lunch. Try not to over-do lunch and desserts to avoid upset stomachs in the afternoon!

Parents attending afternoon activities who will be picking up children at dismissal can park on the back lot using normal end-of-day parking procedures. If you are attending and not picking up children, please park on Lockwood to avoid getting caught in our dismissal procedures.
